My name is Richard Enrique Ulloa; I understand that I am to accurately state the facts, and if I knowingly inaccurately state the facts I may subject myself to penalties for perjury under the laws of the United States of America. Having qualified my testimony, I deny that I am public property.

I object to be deemed public property by any public entity or person.

The constitution states in Article 1 that congress shall make no law to petition the government for a redress of grievance, but here we are with an unconstitutional accusation of mail fraud being asserted by those who are paid trained educated and sworn to uphold the constitution.

“Since mail fraud is a specific intent crime, good faith is a complete defense to that crime”

US V WALL 130 f3d 739 6th circuit 1997

The Bill of Rights states in **Article the eighth** [Amendment VI] “In criminal prosecutions, the accused shall enjoy the right to a speedy and public trial, by an impartial jury of the State and district wherein the crime shall have been

Entered on 7/21/10

CX41317 (2)

committed, which district shall have been previously ascertained by law, and to be informed of the nature and cause of the accusation; to be confronted with the witnesses against him; to have compulsory process for obtaining witnesses in his favor, and to have the Assistance of Counsel for his defense.”

Yet I am being told that there is some rule that “requires me to have a lawyer or attorney”

28 USC 2072 states that “(b) Such rules shall not abridge, enlarge or modify any substantive right. All laws in conflict with such rules shall be of no further force or effect after such rules have taken effect.

If this is the case it seems to me we have a violation of the constitution.

I cannot represent myself, since I am myself and as stated in the Bill of Rights, I will proceed with several assistance of counsel, to include Robert Fox.

I will be submitting a counter-claim in this case. As stated in my Affidavit “Act of State” and my Affidavit “of Secured Party Creditor” a schedule of what constitutes a false charge is listed in the documents and those fees will be used.

The prosecutor knew or should have known that he was proceeding with an illegal grand jury, he knew or should have known that alleged defendant was not invited or even was aware of the pending indictment. The Prosecutor has brought a fraud upon the court. I will be submitting a motion for sanctions, and a BAR grievance.

As for the threats made by the prosecutor to me on 7/7/2010 I am awaiting the Freedom of Information request sent to the US Marshall's for a complete video and audio of this court room on that date after the court rested, and the transcript of the proceedings on the same date. Once these are received I can submit A BAR grievance and a motion for sanctions and charges on this issue.

Again I ask, Is there a trustee here?

With no trustee here, there is no party here that can state a claim in which relief can be granted.

Again I ask, Is there any objection to closing this matter permanently?

This matter is closed by beneficiary's order.
